- > Send

Send

This screen allows you to view the history of the sendings, all campaigns combined.

List of the campaign sending history in table form :

- Date sent
- Mode (Immediate, scheduled)
- Campaign
- Number of terminals involved in sending
- Number of terminals having received the push
- Status (Sent, pending)
- Action: "Cancel" button if sending is pending

Purge Button: Clears all shipments

New send button: Allows you to send a campaign

The send screen consists of :

- Drop-down list: choice of campaign
- Sending Type :
 - Immediate
 - Deferred with choice of date + time

The screenshot shows a web interface titled "ENVOI PUSH" in the top left corner. In the top right corner, there is a small icon and the text "/ Push". The main form area contains the following elements:

- A label "Choix de la campagne" followed by a dropdown menu currently displaying "Campagne Générale".
- A label "Type d'envoi" followed by two radio button options: "Immédiat" (which is unselected) and "Différé" (which is selected, indicated by a red checkmark).
- A label "Date et heure d'envoi" followed by two input fields. The first field contains the date "17/12/2016" and the second field contains the time "18:00".
- At the bottom right of the form, there are two buttons: a red button labeled "Annuler" and a green button labeled "Envoyer".
