## Send

This screen allows you to view the history of the sendings, all campaigns combined.

List of the campaign sending history in table form :

- Date sent
- Mode (Immediate, scheduled)
- Campaign
- Number of terminals involved in sending
- Number of terminals having received the push
- Status (Sent, pending)
- Action: "Cancel" button if sending is pending

Purge Button: Clears all shipments

New send button: Allows you to send a campaign

The send screen consists of :

- Drop-down list: choice of campaign
- Sending Type :
  - Immediate
  - Deferred with choice of date + time

The screenshot shows a web interface titled "ENVOI PUSH" in the top left corner. In the top right corner, there is a small icon and the text "/ Push". The main content area contains three sections:

- Choix de la campagne:** A dropdown menu with "Campagne Générale" selected.
- Type d'envoi:** Two radio buttons. "Immédiat" is unselected, and "Différé" is selected with a red checkmark.
- Date et heure d'envoi:** Two input fields. The first contains "17/12/2016" and the second contains "18:00".

At the bottom right of the form, there are two buttons: a red "Annuler" button and a green "Envoyer" button.
