Product Category

The entire content of the App is managed through the Content/Navigation Menu :

The working area is divided into two zones :

- On the left, the navigation of the App in the form of a tree structure
- On the right, the content data of the selected item in the tree structure

Action Boutons

On each item of the navigation tree, or data table, action buttons are proposed (see below).

On each output screen, there are three buttons for :

- Cancel editing (data entered is not saved)
- Save: Entries are saved and you remain in edit mode.
- Save and Close: Entries are saved and you exit edit mode.
