Form

The “Form” element allows an exchange of information in the direction “Mobinautes” to “Administrators” or “Application Managers”. Before using this element, you must first have created a form in the “[Form](#)” “[Parameters](#)” menu.

In the navigation, its line will always be preceded by its logo :

General tab

Global Form information, list of fields :

- **Title**
- **Subtitle**
- **Type of content** : “Formulaire”
- **Display** : “Default” for a Form
- **Parent** : the element that will be the parent of this Form.
- **Order** : display order that depends on the parent. If “Parent” = “None” then this form will appear in the top left menu.
- **Enable** : Y/N
- **Visible** : Y/N
- **Publication Start Date** : convenient to have this Form appear at a specific date and time
- **Publication End Date** : handy to make this Form disappear at a specific date and time. If there is none, it will be displayed all the time.

Content tab

What will appear when selecting this Form, list of fields :

- **Keywords** : list of keywords allowing you to quickly search this Form when using the “Search Engine” element or if you activate the search in a field.
- **Form** : this is where you select the form created beforehand.
- **Displaying the form** :
- **Display of drafts (if activated)** :
- **Display of the history (if activated)** :

Visual tab

Allows you to choose the visual appearance of the form BEFORE clicking on it, list of fields :

- **Visible title on Grid and Banner** : If this Form is part of a container, that is to say if for example this element “Form” is a child of a field and if the display chosen in this field is either “Grid” or “Banner”, then there is the possibility to display or not the title of this element “Form” in the image :

Titre

Sans titre

- **If Card View** : If this Form is part of a container, i.e. if for example this “Form” element is a child of a field and if the display chosen in this field is “Card View”, then there is the possibility to display this “Form” element in full width or half width. The combination of the 2 choices is possible:

Demi
largeur

Pleine
largeur

- **Icon** : Used for display in the top left menu, or if this item is one of the children of a container (heading for example) whose display is "Title", "Subtitle", "Distances" or "Glossary".

Menu

Affichage
Titre

- **Miniature** : Used for a "Grid" display or replaces "Icon" if it does not exist.
- **Banner** : Used for display in "Banner" mode.

If there is an image in the three fields "Icon", "Miniature" and "Banner", then **il existe un ordre de priorité** for the choice of the image that will be displayed :

1. Banner
2. Miniature
3. Icon
4. If element "Page": image of the content of this page

Caution : if the display of this item is "Title", "Subtitle", "Distances", "Glossary", "Grid" and "Card

View" (full width), then the image shape must be square and if the display is "Banner" or "Card View" (half width), the image shape must be rectangular with a ratio of 1440×800 pixels. Otherwise, your image may be truncated at the top and bottom, or right and left.

Coordinates tab

Tab not used for the "Form" element.

Others tab

Various parameters such as the authorization of this element "Form", list of fields :

- **Habilitation** : usable only if there is a management of mobinautes with groups of mobinautes. Example: Your mobile users can be part of the groups "Citizens", "Municipal Agents" and "City Council". If this page element should only be visible for mobile users who are at least part of the group "City Council" then the authorization will be set to "Private" and the checkbox corresponding to the group "City Council" will be activated. If, on the other hand, access to this page element is left visible but to display it you must be a member of the "Citizens" group, then the enablement will be set to "Protected" and the checkbox corresponding to the "Citizens" group will be activated.
- **Notification** :
